# CURRICULUM VITAE

## 1. General information

- Full name: Assoc. Prof. Dr. Hoang Van Sam
- Date of birth: 04. Nov. 1977
- Institution: Vietnam National University of Forestry, Xuan Mai, Hanoi, Vietnam
- Phone: 0084983337898; Fax: 00824433840063
- Email: hoangsam@vfu.edu.vn

## 2. Professional interests

Plant diversity and conservation, forest resources management, biodiversity conservation, National parks management, local people and forest resources.

## 3. Former and present positions

- 9.1999 – 2009: Lecturer and researcher at the Forest Plant Department, Vietnam National University of Forestry.
- 9.2009 – 3.2016: Director of Biodiversity centre, Vietnam National University of Forestry.
- 11.2013 – 10.2015: Deputy Director of Science Technology & International Cooperation Division, Vietnam National University of Forestry.
- 11.2015 – 7/2016: Director of Science Technology & International Cooperation Division, Vietnam National University of Forestry.
- 8.2016 – present: Director of International Cooperation Division, Vietnam National University of Forestry.

## 4. Education and training

- 9.1995-6.1999: BSc student on Forest resources management at Vietnam National University of Forestry.
- 6 -8.2002: Training on plant taxonomy in Bogor, Indonesia
- 01.2003-8.2004. MSc student on Plant taxonomy and Biodiversity conservation at Leiden University, the Netherlands.
- 10 -11.2003. Research on Plant taxonomy in French National museum of natural, Paris, France.
- 5.2005-4.2009. PhD candidate on Plant taxonomy and Biodiversity conservation at Leiden University, the Netherlands.
- 6-7.2010. Research on plant taxonomy at National biodiversity centre, the Netherlands.
- 8-11/2011. Research on plant taxonomy and National park management in Colorado State University, USA.
- 9-12/2012. Research on plant taxonomy in South China botanical garden, China.

## **5. Academic activities**

1. Teaching "Vietnam Forest Plants" and "Plant Morphology and Classification" for BSc and MSc students at the Vietnam National University of Forestry since 2004
2. Teaching "Protected area management" and "Plant resources management" for MSc and PhD students at the Vietnam National University of Forestry, since 2009
3. Teaching "The Plant families of SE Asia" for MSc students at Leiden University, the Netherlands, in 2007, 2008
4. Giving a lecture on tropical plant for BSc students at Colorado State university, USA.
5. Member of Organizing committee and Scientific committee of the the second international conference on Flora of Laos, Cambodia and Vietnam, in 2010
6. Member of Organizing committee and Scientific committee of international conference on Botanical research in Tropical Asia in 2015.
7. Co-chair of international conference: Botanical research in Tropical Asia. In Laos, 2015.
8. Co-chair of international conference: Taiwan and Vietnam Bilateral Symposium on Biodiversity Conservation. In Taiwan, 2016
9. Co-chair of international conference: Protected area management. In VNUF, 2017
10. Member of Scientific committee of the Vietnam National University of Forestry, since 2009.

11. Member of Scientific committee of Forest resources and Environmental management faculty, Vietnam National University of Forestry, since 2009.
12. Member of editors board of Global journal of Botanical science, since 2011
13. Supervision 7 PhD students in Vietnam and China (03 have graduated).
14. Supervision 48 BSc students at the Vietnam National University of Forestry
15. Supervision 51 MSc students at the Vietnam National University of Forestry, Thai Nguyen University and Tay Nguyen University (47 have graduated).

## **7. Leader of projects**

1. Conservation of 6 Gymnosperm species in Nam Dong natural reserve, Thanh Hoa province. Project supported by Thanh Hoa people committee. 2014-2015.
2. Study edible wild vegetables in Dien Bien and Lao Cai provinces, Vietnam. Project supported by Danish government, managed by Ministry of Agriculture and Rural development. 2009-2013
3. Research on representative of indigenous tree species of Vietnam. Project at State level and supported by Vietnamese government 2011-2015
4. Research on indigenous tree species in Botanical garden of Vietnam National University of Forestry. Project at ministerial level and supported by Vietnamese government. 2011-2014
5. Establish Biodiversity information system in Vietnam. Project supported by Vietnam National University of Forestry. 2009-2013
6. Conservation of Pinophyta in Hoang Lien national park, Sapa, Laocai province. Project supported by Rufford Small grant. 2010-2011
7. Indigenous knowledge of Dao and Muong Ethnic minority groups on medicinal plants in Ba Vi National Park, Vietnam. Project supported by Rufford Small grant. 2008-2010
8. Assessment and conservation of plant biodiversity in Pa Phanh mountain, Thanh Hoa province, Vietnam. Project supported by Rufford Small grant. 2013-2014
9. The Impact of Timber and Non Timber Forest Products (NTFP) in Ben En National Park, Central Vietnam. Project supported by International Foundation of Science (IFS). 2005-2008
10. Economically and ecologically important timber tree species in Lao and Vietnam. Project supported by National herbarium of the Netherlands (2003-2004).

## **6. Project member and coordination activities**

1. Establishment Training Center for Nature Conservation at Vietnam National University of Forestry. 2013-2017 (Supported by KNCF, Japan)
2. Regional Learning Centres for Protected Area and Biosphere Reserve Management in Vietnam (2011-2014). Supported by DAAD, Germany (coordinator)
3. Strengthening of Tay Bac University for Sustainable Rural Development of Northwest Region. 2009-2014, supported by JICA (focus person on forestry).
4. Capacity Building for the Ratification and Implementation of the Nagoya Protocol on Access and Benefit Sharing (2013-2014). Supported by UNDP (National consultant)
5. Forests for Livelihood Improvement in the Central Highlands (2009-2013), supported by ADB. (National consultant on biodiversity)
6. Development of innovative biotechnology towards sustainability production of Agarwood in Vietnam (2016-2019) (Funded by Vietnamese and German governments) - Coordinator
7. Conservation of relict tree species across the Eurasia (2015-2020) (Funded by University of Fribourg, Switzerland). - Regional scope
8. Conservation of *Paris polyphylla* Smith in Thanh Hoa province. (2017-2019). Funded by Thanh Hoa people committee
9. Development of Curriculum on climate change into Agriculture and forestry University in Vietnam (2016-2018). Funded by USAID
10. Development of Curriculum on REDD+ into Agriculture and forestry University in Vietnam (2016-2018). Funded by UNEP
11. Developing an International Study Program in the Lower Mekong Region in International Tropical Forestry (2015-2019). Funded by DAAD
12. European-Vietnamese Higher Education Network for Sustainable Forest- and Bio-Economy (BioEcoN). (2017-2019). Funded by EU

## **8. Publications**

### **Books**

1. Keßler, P.J.A., M.S. Appelhans & Hoang Van Sam (eds). 2009. Plant families of South-east Asia. Syllabus for master students in Leiden University.
2. Hoang Van Sam. 2009. Uses and conservation of plant diversity in Ben En National Park, Vietnam. National herbarium of the Netherlands, the Netherlands
